Sir,

Sub: South Kanara District - Permanent retention of certain temporary posts - Sanction requested.

Ref: G.O.No.780, Finance, dated 19-7-1949.
G.O.Ms.No.3564, Home, dated 3-9-1949.

With reference to the Finance Department Government Order cited, I request the Government to sanction the permanent retention with effect from the dates of their first employment as shown in column 4 of the Annexures I and II attached of the following staff in the South Kanara District.

Sub-Inspectors	..	1
Head Constables	..	6
Constables	..	3
Accountants	..	1
Upper Division Clerks	..	2
Lower Division Clerks	..	32

Details are given in Annexure III.

2. The above posts comprise all those which have been in existence or will by the end of this year have been in existence for over 5 years and 50% of the posts which have been in existence for more than 3 years but less than 5 years. They are required for carrying on the normal work of the district. The Government have already accepted the position that no retrenchment is possible in the Police Department in the second Government Order cited. There is on the other hand need for the increase of the staff as the district is understaffed according to the yardstick and the Police work has increased considerably. Proposals for the additional staff wherever it is absolutely necessary for the efficient discharge of police duties will be sent to the Government separately in due course.

3. I request the very early orders of the Government on the proposals mentioned in paragraph 1 above.

Sir,

Sub:- Establishment - District Police Office, South Kanara - Permanent retention - Lower Division Clerk in Statistical Section.

Ref:- Home Department memorandum No.129003 Police III/4912 dated 1-3-1950.

...

The temporary post of the Lower Division clerk was originally sanctioned in G.O.Ms.No.3072, Home, dated 6-9-1945 for work relating to control and rationing orders but I consider, that the continuance of the clerk for the Statistical Section of the District Police Office, South Kanara is necessary.

2. The statistical section of the District Police Office is at present manned by an Upper Division Clerk and a temporary lower division clerk. From the particulars furnished in the Annexure, it will be seen that the work in the section has increased enormously.

3. One upper division clerk and one lower division clerk are admissible for this section of the District Police Office according to the 'Yardstick'. The present executive strength of the district is 843. The staff admissible for the District Police Office according to the Yardstick is 1 Manager, 3 Accountants, 4 upper division clerks and 19 lower division clerks, including typists. The existing ministerial staff of the District Police Office is only 1 Manager, 2 Accountants, 4 Upper division clerks and 15 lower division clerks, including typists and the lower division clerk of the Statistical section referred to above. Thus the District Police Office is already short of 1 Accountant and 4 lower division clerks according to the scale admissible.

4. Thus it will be seen that though the staff was originally sanctioned for a special purpose, the retention of the clerk was found necessary in 1948 and 1949 in the Statistical section to cope with the increase in the volume of the work. I therefore consider that the permanent retention of the lower division clerk referred to in paragraph 1 above is essential and request that the post may be sanctioned as a permanent measure.

HOME DEPARTMENT.

ESTABLISHMENT- District Police Office, South Kanara
Temporary staff - Permanent retention.

From the I.G. of Police, R.C.No. Nil dated 17-12-49

In G.O. No.780, Fin. dated 19-7-49, the Govt. directed that all temporary posts in the Offices of the Heads of Departments and in subordinate offices which are over 5 years old and 50% of those between three years and five years may be made permanent provided that it is establi.., that they are permanently required for dealing with the normal work of the Government. Where, in any office, there is only one temporary post in a particular category between 3 and 5 years old, that post may be made permanent. Heads of Deptts were requested to send up to the administrative deptts. of the Sectt. concerned proposals for the permanent retention of the temporary establishments in their offices on the basis of the orders referred to above. The I.G. of Police has accordingly submitted proposals for the permanent retention of the following staff in the South Kanara District:-

A	Sub. Inspector ... 1	B	Accountant ... 1
	Head Constables ... 6		Upper division clerks ... 2
	Constables ... 3		Lower division clerks ... 2.
	Lower division clerk in Dt.I.B. ... 1		

The question of permanent retention of the executive staff (and one L.d. in the District Intelligence Bureau) referred to at 'A' above is being considered separately in 'A' Secn. This file is concerned with the question of the permanent retention of the ministerial staff referred to at B above.

2. The I,G. has furnished in respect of the ministerial posts proposed for permanent retention statements showing details regarding the date of first appointment to the posts and the date upto which the present sanction exists with particulars of the G.Os. in which the posts were sanctioned first and ordered to be retained last. He has

p.t.o.

stated that the posts proposed for permanent retention now comprise all those which have been in existence or will, by the end of this year, have , been in existence for more than 5 years and 50% of the posts which have been in existence for more than 3 years but less than 5 years and that they are required for normal work in the district.

3. From the statement furnished by the I.G. of Police at p.3. c. f. it will be seen that the posts of

Accountant - - - - - - 1,
Upper division clerks ... 2, and
Lower division clerk ... 1

have been in existence in the D.P.O. South Kanara for over 5 years. This staff can be made permanent with ref. to the Fin. Dept. 's G.O. referred to in para 1, p 1 ante. /Ans.

4. It will be seen from the statement at p 5 c. f. that 2 posts of l.d.clerks have been in existence for more than three years but less than 5 years and only 50% of the staff can be retained on a permanent basis (i.e.) one post of lower division clerk. ~~As however there is only one post of that pst and~~ may be retained permanently. /Ans.

5. The Govt. have decided that no retrenchment is possible in the Police Dept. The Govt. have also prescribed a 'Yardstick' for the employment of ministerial staff for the D.P.Os. As the existing ministerial staff in the D.P.Os. including the present temporary posts is less than that to which they are eligible according to the yardstick and as there is an urgent need for strengthening the staff in the D.P.Os to cope with the increased work, the I.G. has proposed the employment of addl. ministerial staff for the D.P.Os and the proposals are being considered as Part II Scheme for 1950-51. The staff mentioned in paras 3 and 4 above will therefore be permanently required for the normal work of the Police Department

EL

6. In the file dealing with the permanent retention of the staff in the offices of the Range D.I.Gs. of Police, this Dept. have suggested that 1-10-49 may be adopted as the date of effect of the order sanctioning the permanent retention of the staff in the Police offices. The Fin. Dept. have agreed with the suggestion of this Dept. In this case also the staff may be sanctioned permanently with effect from 1-10-49

7. For orders whether the posts of an Accountant F, two u.d. clerks and one l.d. clerk which have been in existence for more than 5 years and the posts of one l.d. clerk out of the staff which has been in existence for more than 3 years may be sanctioned on a permanent basis in the D.P.O. Finance Dept.

The file relates to the permanent retention of certain ministerial staff in the District Police office South Kanara. The proposals are examined below:-

2. Para 3 on p. 2 ante. One post of post Accountant, two U.D and one l.d. clerks posts have been in existence for over 5 years. This Dept may agree to the permanent retention of these posts.

3. Para 4 on p. 2 ante. In G.O 1699 Home Dated 31.5.45, the Govt sanctioned the formation of the new Udupi Sub. division. For this purpose, the Govt sanctioned the employment of 1 Dy S.P and 1 l.d. clerk. The need for the formation of the Sub. division is set out in detail in the paras 1-6 on p. 3 C.F. of G.O 1699 Home dated 31.5.45. In

4

this connection attention is also invited to the remarks of the then Dy Secy on p. 8 N.F G.O 1699 Home dated 31.5.45. Having regard to these facts, there does not seem to be any sufficient justification to take into consideration the l.d. clerk's post for permanent retention. and the proposal may be rejected.

10436 22-1-50

In G.O. 3072 Home dated 6.9.45, the Govt sanctioned the employment of an additional l.d. clerk in the Statistical Section. At the time of sanctioning the post, it was reported that the work had increased considerably as a result of the various Control and rationing orders. It was also stated that special staff was sanctioned to enforce the Food grain Control order and the prevention of Smuggling At the time of sanctioning the Continuance of the l.d. clerk, it was pointed out that it was admissible according to the revised yardsticks. Having regard to the temporary nature of work on to which the l.d. clerk is employed, there does not seem to be any justification to retain the post on a permanent basis. If the post as agreed to by the Dept may be retained on a permanent basis with effect from 1.10.49

This file deals with the proposal of the I.G. of Police for the permanent retention of the following ministerial posts in the South Kanara Dt.

1 Accountant.
2 U.D. clerks.
2 L.D. clerks.

This Dept. have recommended that the posts of 1 accountant, A A and two u.d. clerks and one l.d. which have been in existence for over 5 years may be sanctioned on a permanent basis. Finance

'D' h 3 cwts. Fin. Dept. have agreed to this.

h 3 c F.

2. The I.G.of Police has proposed that 50 per cent of the ~~posts~~ following two posts of l.d clerks (viz., ~~the one~~ post of l.d) sanctioned in the G.Os. specified against them may be retained on a permanent basis:

M 9-10 c F 9 (X)

M 9-10 c F 9 (A)

(1) One l.d clerk to provide for a camp clerk to the Dy.S.P., Udipi Sub Division. — G.O.Ms.1699 Home d/31-5-45.

(2) One L.D. clerk for the statistical section of the D.P.O., S.Kanara ~~statistical section~~. — G.O.Ms.3072 Home d/ 6-9-45.

3. Item (1) above. - Permanent retention of camp clerk to Dy.S.P., Udipi.

hawe, h 3-4 cwts (X)

As regards the post of L.D. clerk, mentioned in item above, the Finance Dept. have ~~ag~~ drawn attention to their ex- D.S's note on p.8 n.f. of G.O.Ms.No.1699 Home d/31-5-45. stating that the post of l.d clerk might be sanctioned till the end of the war and that the position reviewed then and that ~~nowr~~ normally in peace time there was not likely to be a case for extra Dy.S.P. ~~and that the Fin dept~~ this dept. have stated that there is no sufficient justification to take into account the l.d clerk's post for permanent retention. As the permanent retention of the L.D. clerk will depend only on the permanent retention of the post of Dy. S.P., this Dept. may agree with the remarks of the Fin.Dept.

M 9 it 2. 11

X | Cwt

4. Item (2) above - Permanent retention of the l.d. clerk in statistical section of the D.P.O.

R M C F 9 (A)

In 1945 the I.G. of Police reported that the work in the statistical section increased considerably as a result of the various controls and rationing orders, that special staffs were sanctioned in the S.Kanara Dt. to enforce food grain control order and for the prevention of smuggling and that the one clerk then working in the statistical section was not able to cope with all the items of work. In G.O.Ms.3072 Home d/ 6-9-45 the Govt. sanctioned the employment in the D.P.O.South Kanara of one addl. L.D. clerk in the statistical section. The post of L.D. clerk is being continued from time to time.

M 9 - 10 C F 9 (A)

The Fin.Dept. have stated that having regard to the tempy.nature of the work on which the L.D. clerk is employed there does not seem to be any justification to retain the post on a permanent basis.

5. It may be mentioned that almost all the tempy. posts ~~sanctioned~~ in the D.P.Os. were sanctioned from 1942 onwards, during the war period. Due to the reasons mentioned in para. 4 above, the l.d clerk was first sanctioned and continued from time to time. This post will not take the number of l.d. clerks in the D.P.O., South Kanara beyond that to which it is eligible under the yardstick. As the existing staff in the D.P.Os. is much less than that to which they are eligible under the yardstick and to cope with the increased work, the I.G. proposed the employment of addl. staff for all the D.P.Os. including 4 L.D.Clerks for the D.P.O., South Kanara. The S.F.C have approved the Part II Scheme ~~for addl. staff for police offices~~. The Govt. have also decided that no retrenchment is possible in the police dept. In the circumstances, the post of L.D. clerk in question will be required on a permanent basis. For orders whether this Dept. may press for ~~the~~ its ~~proposal~~ permanent retention. Fin.Dept. may see again for remarks.

(Issued as G.O. No. 591 Home dated 13.2.1950) JJ 7-8 of

The file is now concerned with the proposal of the I.G. of Police that 50% of the following two posts of l.d. clerk sanctioned in the G.Os. specified against them may be retained on a permanent basis:

(i) One lower division clerk to provide for a camp clerk to the Dy. S.P., Udipi Sub Div. — G.O.Ms.No. 1699 Home dated 31.5.1945

(ii) One lower division clerk for the Statistical Section of the D.P.O., South Kanara, to cope with the increase in work as a result of the various control and rationing orders — G.O.Ms.No. 3072 Home dated 6.9.1945

2. Item (i) above: Camp Clerk to the Dy. S.P., Udipi: The present sanction for the post lasts upto 31.3.1950. It is proposed to accept the Finance Dept's recommendation that the consideration of the permanent retention of this post may be deferred as the question will arise only if the post of Dy. S.P., Udipi Sub Div., is made permanent — see orders at X on p5 ante. The I.G. may be informed accordingly. He will no doubt submit separate proposals in due course for the temporary retention of the post for a further period beyond 31.3.1950, if necessary.

3. Item (ii) in para 1 above: One Lower division clerk in the statistical section of the D.P.O., South Kanara: The present sanction for the post lasts up to 30.9.1950. The Finance Dept. have noted that, having regard to the temporary nature of the work on which this clerk is employed, namely, work relating to control and rationing orders, there does not seem to be any justification to retain the post on a permanent basis. ~~It seems that~~ The remarks of the I.G. of Police on the above suggestion may be obtained in the first instance.

S.T.O.

HOME DEPARTMENT.

From the I.G. of Police, R.C.No.393/W/50, dated 1-4-50.

--

The out-standing action in this file is about the question of the permanent retention of one additional l.d. clerk in the statistical section of the D.P.O. South Kanara, sanctioned in G.O.Ms.No.3072 Home, dated 16-7-45. In their note at p. 4 ante, the Finance Department stated that at the time of sanctioning the post, it was reported that the work had increased considerably as a result of the various controls and rationing orders, that it was also stated that special staff was sanctioned to enforce the food grain control order and for the prevention of smuggling, and that having regard to the temporary nature of the work on which the l.d. clerk was employed there was no justification to retain the post on a permanent basis.

2. The I.G. of Police was consulted on the objections raised by the Fin. Dept. Please see the I.G's reply at p.13 c.f. He has stated that the statistical section of the D.P.O. is at present manned by an u.d. clerk and a temporary l.d. clerk. He has furnished a statement which is at p.15 c.f. and from which it will be seen that the work in the statistical section has increased enormously. The I.G. has also stated that though the l.d. clerk was originally sanctioned for a special purpose the retention of the clerk was found necessary in 1948 and 1949 in the statistical section to cope with the increase in the volume of work that an u.d. clerk and 1 l.d. clerk are admissible for this section of the D.P.O. according to the 'Yardstick' and that the D.P.O. is short of 1 Accountant and 4 l.d. clerks according to the 'Yardstick' scale. The I.G. therefore considers that the permanent retention of the l.d. clerk is essential and has requested that the post may be sanctioned as a permanent measure.

3. It may be mentioned that as the existing staff in the District Police Offices is much less than that to which they are eligible under the 'Yardstick' and to cope with the increased work, the I.G. proposed the employment of additional staff for all D.P.Os., including p4 l.d. clerks for the D.P.O. South Kanara. The proposals are being treated as Part II Scheme and orders will issue on the proposal after the Vote of the Legislature is communicated. In the circumstances stated by the I.G. of Police, set out in para 2 above this Department may press for the permanent retention of the l.d. clerk in the statistical section of the D.P.O. South Kanara. The file may be sent to the Finance Department for remarks.

Previous Finance notes on pp. 3-4 ante, the reference to the I. G. of Police on pp 9-10 C.F. I. G's reply thereon on pp 13-15 C.F. and the further notes of time from p. 9 ante may be perused.

2 With reference to the remarks of this Dept. it is stated that although the clerk in question was sanctioned originally for work relating to control and rationing orders, etc. Continuance of the clerk for the Statistical Section is necessary. It is also stated that this clerk is admissible according to the 'Yard Stick' As the l.d. clerk in question was originally sanctioned for specific work such as rationing and

and control orders, the orders in G.O. 780 Fin dated 19.7.1949 will not apply to this post for permanent retention. In fact the "Yard Stick" for D.P.O was fixed in 1948, and this by itself does not refer to permanent retaining of posts. The question of retaining this post should be taken up only in 1953. As such Finance cannot agree to the permanent retention of this l.d. clerk. His retention on a temporary basis may, however, be agreed to.
